

JOINING CARBON FREE GROUP

We welcome applications from all organisations and individuals who share our commitment to decarbonising the built environment and wish to join our existing membership of clients, contractors, designers, planners and specialists.

Membership fees

Membership of the Carbon Free Group is paid via an annual membership fee, based on the size and nature of your organisation. There is also a recommended charitable donation to the Carbon Free Group's associated charity, for whom we deliver their charitable

objectives (see www.calyxresearchfoundation.org for further information). This donation can be claimed back against taxable profits and results in a zero-net-cost to your organisation, with all donations used to help fund new carbon free or sustainable initiatives and innovations.
